WELCOME TO RIYASAT HILLS

One of a kind India's first 100% Self-sustainable Gated Farming Community

Our food supply chains were already polluted even before Corona; our skies, grey with smoke; our throats, parched; our eyes, moist; our milk, fake; our fruits and vegetables injected; our Eggs, plastic; our poultry, fish and meat, raised on antibiotics and artificially incubated, mercilessly and painfully slaughtered; Our Honey, artificially sweetened. We have the power to say No to all this. That chance is Now ! imagine a future, a place where we are 100% self-reliant, connected with the soil, Atmanirbhar.

Being decentralised on the edge of Gurugram Masterplan yet close to residential sectors of Gurugram ensures Decentralized Atma-nirbharta.

OWNERSHIP SUBSCRIPTION

Riyasat Hills provides the opportunity to avail the benefits of the Farmlands in various ways:

Step 1

Purchasing farmland of 1 acre and above, depending on need and budget

Step 2

Avail monthly subscription for a nominated agency to till your land to produce food products, including seasonal organic vegetables, fruits and flowers. In accordance with your food preferences, animal products like Dairy, Fish, Poultry, Apiculture shall be centralised for the community although you may choose to have an independent setup on your farmland. All these products shall be supplied at your residence, Pesticide-free, organic and Sanitized.

Step 3

Convert to Gated Community using available Govt. Policies for Building Plans

"RIYASAT HILLS" FARMLANDS COULD PROVIDE YOU WITH ALL YOUR DAILY NEEDS OF FRESH GREENS AND WHITES AND MEATS STRAIGHT FROM THE SOURCE, UNADULTERATED AND FRESH.

Your own:

* Organic Farming

* Milk Products, Apiculture, Poultry, Fishery.

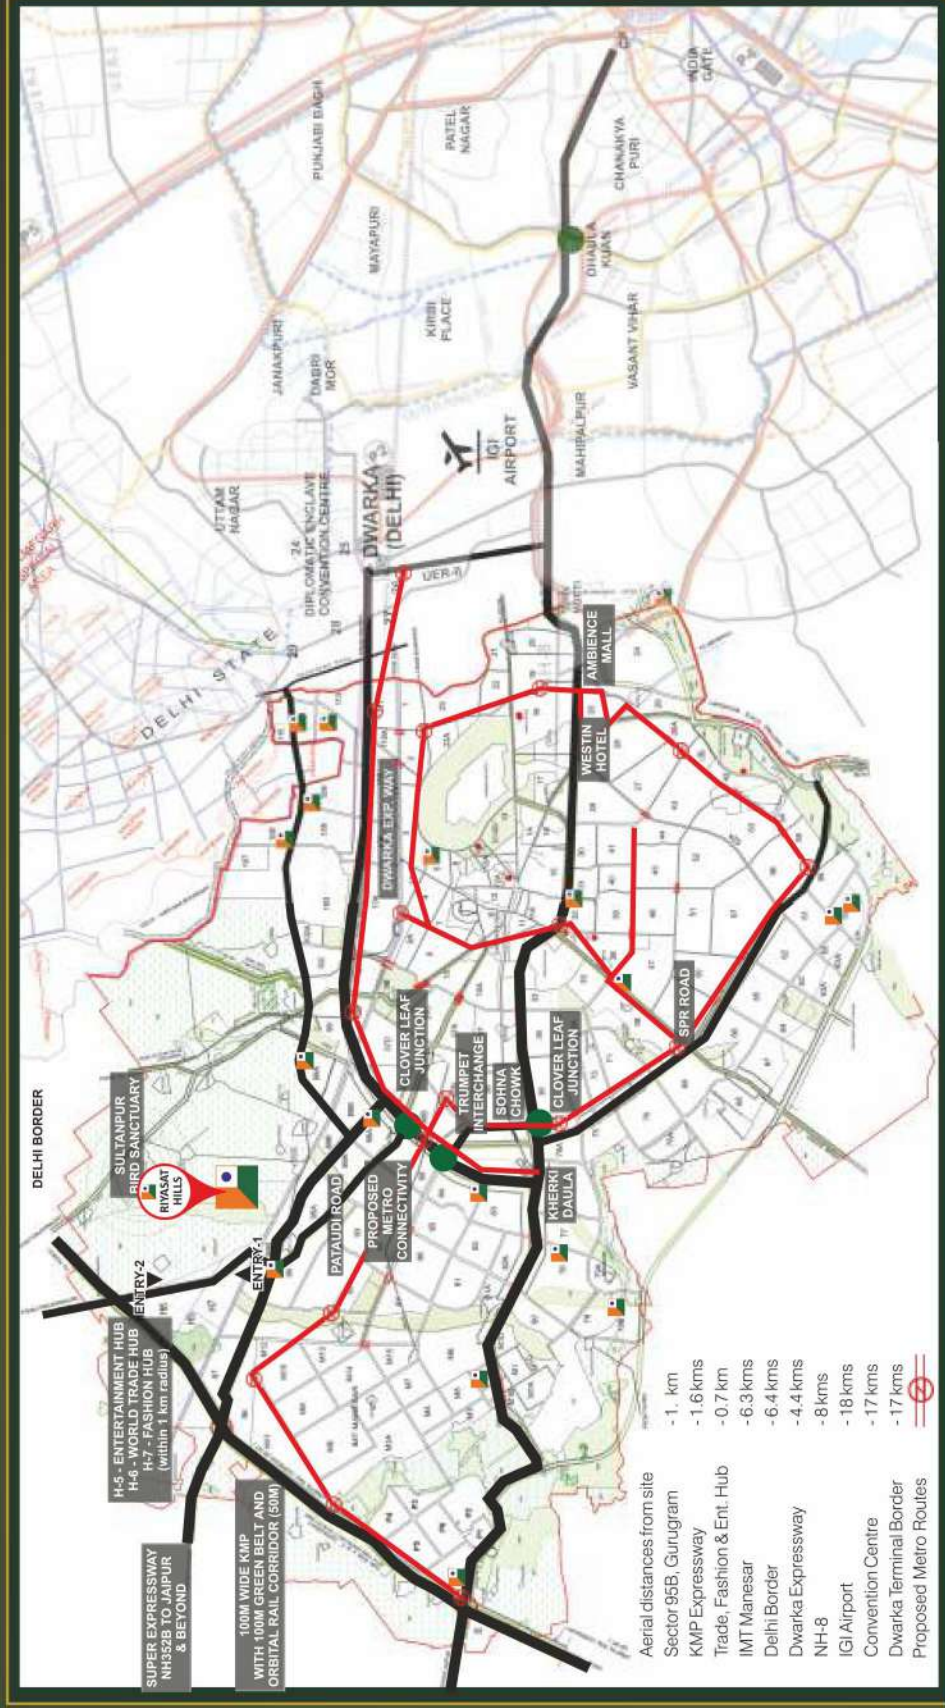

* Maintaining plant nursery, and other Horticulture, floriculture practices.

RICH FUTURE IN EVERY ACRE
